

Prospects for Information Security Policy And Objectives

Prospects for Information Security Policy	Information Security Objectives
Enhancement of employees	Hold educational training on information security to enhance employees' awareness of information security and strengthen their awareness of relevant responsibilities.
Avoidance of information leak	Protect information of iST' s business activities, prevent unauthorized access and modification and ensure accuracy and completeness of information.
Implementation of routine operation	Conduct internal and external audits periodically to ensure implementation of relevant operations.
Assurance of service availability	Ensure a specific level of availability of iST' s key core systems.
